PROFESSIONAL SUMMARY

Computer Science undergraduate at Informatics Institute of Technology (IIT) with experience developing full-stack web applications, REST APIs, mobile applications, and user-centered digital products. Skilled in Java, Python, JavaScript, Dart, React, Flutter, Firebase, Supabase, and Git. Proven ability to design, develop, and deploy software solutions while applying software engineering and UI/UX principles to create effective user experiences. Seeking a software engineering internship to contribute to real-world projects and continue developing technical expertise.

TECHNICAL SKILLS

Programming Languages

- Java
- Python
- JavaScript
- Dart

Backend & Databases

- REST API Development
- Firebase
- Supabase
- Database Design

Tools & Technologies

- Git
- GitHub
- Vercel

Frameworks & Libraries

- React
- Flutter
- Tailwind CSS

UI/UX & Design

- Figma
- Photoshop
- Wireframing
- Prototyping
- User-Centered Design
- Responsive Design

Core Concepts

- Object-Oriented Programming
- Software Development Lifecycle
- Database Management
- API Integration
- Version Control
- Problem Solving

SOFTWARE PROJECTS

Finance Manager

React | Tailwind CSS | Supabase | Figma

Full-Stack Personal Finance Management Application

- Designed and developed a full-stack finance management platform for tracking income, expenses, budgets, and savings goals.
- Created complete UI/UX workflows, wireframes, and responsive interfaces using Figma and React.
- Implemented transaction management, financial summaries, and budget monitoring features.
- Integrated Supabase backend services for data storage and application functionality.
- Focused on usability, accessibility, and responsive design principles throughout development.

GitHub: github.com/Hansaka-co/finance-manager 🌐

Smart Campus API

Java | REST API

- Developed a RESTful API for campus sensor and room management systems.
- Designed backend services supporting resource monitoring and management operations.
- Applied object-oriented programming principles and API architecture best practices.
- Implemented efficient endpoints for data processing and retrieval.

GitHub: github.com/Hansaka-co/smart-campus-api 🌐

MUC Digital

Flutter | Dart | Firebase

- Contributed to the development of a municipal services mobile application.
- Designed user-friendly interfaces for service requests, booking workflows, and citizen interactions.
- Improved accessibility and navigation through user-centered design practices.
- Collaborated with team members to deliver application features and enhancements.

GitHub: github.com/Hansaka-co/muc-digital 

Airport Flight Analyzer

Python | Data Analysis

- Developed a data analysis application for airport flight departure datasets.
- Processed CSV data and generated visual insights through statistical analysis and histograms.
- Built visualizations to improve understanding of transportation trends and patterns.
- Simplified complex datasets through effective data presentation techniques.

GitHub: github.com/Hansaka-co/airport-flight-analyzer 

PROFESSIONAL EXPERIENCE

Network Support Assistant Intern

07/2025 – 01/2026

People's Leasing & Finance PLC

- Assisted in system troubleshooting and technical support activities.
- Performed data management and operational support tasks.
- Collaborated with technical teams to maintain efficient daily operations.
- Developed practical experience working within an enterprise technology environment.

Customer Service Representative

05/2024 – 04/2025

Gamma Pizza Craft Lanka (Pvt) Ltd

- Managed customer inquiries and order processing in a fast-paced environment.
- Strengthened communication, teamwork, and problem-solving abilities.
- Maintained service quality while handling multiple responsibilities.

EDUCATION

BSc (Hons) Computer Science

2024 – Present

Informatics Institute of Technology (IIT)

Relevant Coursework

- Object-Oriented Programming
- Software Engineering
- Data Structures & Algorithms
- Database Systems
- Web Development

Diploma in English Language

2023

Aquinas College of Higher Education

G.C.E. Advanced Level - Combined Mathematics Stream

2021

Nalanda College, Colombo

G.C.E. Ordinary Level

Nalanda College, Colombo
